Subject: RE: availability for a call?

Kristin,

Unfortunately, those times today are booked for me. I can meet later today or tomorrow of this week. Also, I thought it might be helpful to have our TMDL folks on the line as well to help connect the dots on that front. That said, I'm off on vacation all next week.

Would it be too late to chat the week of July 4th (maybe the 6th or so)? If so, let me know some times that work and I'll set up a meeting. Apologies for the summer scheduling issues.

Tina

Thank you Tina!

Thursday I could do 9-10 or 11-12. Friday is not as straightforward but I may have some availability pending on how long a few meetings go. We could also look at next week if that works better for you!

Subject: availability for a call?

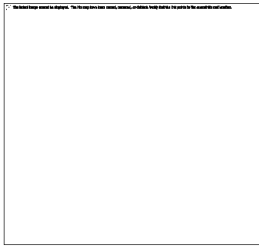

Hi Tina and Darrin,

It sounds like Upper Missouri Waterkeeper and perhaps others are going to be pushing for TN & TP listing on the Upper Gallatin. Since I will be fielding a lot of questions on this, I would like to better understand your thoughts on this. Would you be willing and able to discuss with me together or separately? If so, please let me know your general availability for a call.

Thank you!
